### **Teaching at the University of Iowa Advising**

Prefatory Note: I strongly encourage my graduate students to submit their papers for conference presentation. Three recently had papers accepted: Jessica Engelking at the 2006 Mid-South Philosophy Conference, Peter Legrant at the 2005 Mid-South Philosophy Conference, and Brett Gaul at the 2004 meeting of the American Catholic Philosophical

Association. Gaul's paper was published in the conference proceedings. Note that I work with my students at every stage of this process – writing, submission, practicing Q&A, publication, etc.
