addition	again, also, and, and then, besides, equally important, finally, first, further, furthermore, in addition, in the first place, last, moreover, next, second, still, too	<p>On May 15, 2000, the Jefferson County Sheriff's Office released the official report on the shooting deaths of fifteen people at Columbine High School in Littleton, Colorado. Not surprisingly, the report confirmed the version of events that has been reported <i>ad nauseum</i> for the last year by the U.S. press.</p> <p>The official story (for those who are just emerging from a coma or for some other reason inexplicably missed the saturation coverage of this event) goes something like this: two disaffected teenagers named Eric Harris and Dylan Klebold, acting alone with no assistance in the planning or execution of this crime, entered Columbine High on the morning of April 20, 1999, armed to the teeth, and promptly began shooting up the place, leaving twelve fellow students and one teacher dead before turning their guns on themselves.</p> <p>As with all the 'big stories' flogged by the American media, the various avenues of the U.S. press quickly fell in line behind this story, deftly avoiding any evidence that would tend to cast doubt on the official version of events. So while there has been some minor quibbling over insignificant details of the story (i.e. did the gunmen target athletes, blacks and/or Christians?), few serious journalists have questioned the central thesis that the carnage at Columbine High that day was the work of Harris and Klebold acting alone.</p>	<p>Summary</p> <p>More than friendly and funny, White also wins our sympathy by obviously caring for his son.</p> <p>More than just in the images he includes, White's campaign to win us over to the country school is apparent in the details that he chooses not to reveal.</p> <p>Metalinguistic commentary</p> <p>By arguing that Girl 4 is the best, <i>I don't mean to say</i> that looks are the most important thing in a girlfriend.</p> <p>While <i>it's easy to see</i> that Guy 8 is different from jokesters like Guy 9 or smoothies like Guy 4, <i>we have to look a little closer to see</i> how different he is from Guy 7, who also wrote a short, to-the-point-ad.</p>
