For more information on the seminars, see http://www.lib.uiowa.edu/instruction/seminars/
Seminars on Historical Research

Tools for Accessing Primary Historical Sources
September 10, 2004

- Learn how to identify distant primary materials through print and electronic resources, such as Archives USA.
- Get help in identifying items of interest in microformat.
- Explore how the library can bring distantly located primary sources to you through Interlibrary Loan.
- Reciprocal borrowing agreements.

Electronic Resources for Historical Research
October 8, 2004

Librarians from the UI Libraries will briefly discuss resources such as those listed below
- Multimedia resources
- Electronic indexes
- Primary and secondary resources available on the Internet
- Electronic discussion groups

Historical Collections in the Iowa City Area
November 12, 2004

- Representatives of the State Historical Society of Iowa and the Herbert Hoover Presidential Library will join archivists from the UI Libraries.
- The emphasis will be on informing researchers and prospective researchers of collections of primary source materials available in the Iowa City area.
